Subject: Updated NFB Remaining Material Data Tables/NFB Cooler Amounts/NFB Clean Material Sorted

Hello -

My work computer has a cracked screen, and for some reason I am unable to get on Weston's remote email. Attached are:

1. Updated NFB Remaining Material Data Tables
2. Updated Storage Cooler Amounts
3. NFB Clean Material Sorted from Lowest to Highest Based Off Ra-226 Results

Please let me know if there is anything I need to adjust or edit.

Thank You

Chad
